Re: Town of North Castle Town Prosecutor Position
For Calendar Year 2026

Dear Supervisor Rende:

This letter shall serve to confirm and outline the terms of our retainer agreement relative to the above referenced matter.

You agree to, and do hereby, retain and hire PATRICK J. BLISS, ESQ., to represent the Town in connection with the Prosecution of Town Ordinances and Vehicle & Traffic Law proceedings before the Town of North Castle Justice Court. This agreement may be terminated by the Town of North Castle upon written notice at any time.

For the work, labor and services which shall be provided on your behalf by me, the town agrees to pay a fee, of \$475.00 per court appearance.

Appearance for purposes of this agreement is defined as follows: A court appearance would fall into one of three categories. 1. A regularly scheduled calendar appearance (the Town Code Calendar and the Traffic Calendar are separate calendar appearances); 2. A trial, excluding traffic trials which are handled as part of the regular traffic calendar; 3. Appearance at a court conference which is scheduled for a time other than as part of the matter's regular calendar.

The \$475.00 fee is also inclusive of any, correspondence, motions (including opposing motions), conferences (outside of court), phone calls, assisting in the preparation of accusatory instruments and legal research.

In addition to the foregoing, I shall provide representation to the Police Officers of the Town of North Castle in matters that involve what is commonly known as the "Red Flag Law". For the work labor and services provided by me in connection with those matters I shall charge the town on an hourly basis at the rate of \$250.00 per hour for all time spent

on the matter including but not limited to, conferences with officers, attorneys and court staff, review of documents, preparation of court documents, phone calls, court appearances and legal research.

Statements for services rendered will be provided on a monthly basis and paid within thirty (30) days.

In addition to all of the above, your signature below further indicates the Town's acknowledgement, acceptance and understanding of the fact that I have made no representations or promises to you as to the outcome of any matters for which representation of the Town will be performed. Your signature also indicates the Town's acknowledgement of the fact that it has freely sought out my services and has agreed to retain me in accordance with all of the terms of this letter, which you have read, fully understand and are authorized to enter into.

This letter constitutes our entire Retainer Agreement, there being no further or other Agreements or understandings between us. This Agreement cannot be changed, amended or modified except by a further Agreement in writing signed by you and myself.

In the event that the Town disputes the legal fees charged by me to the Town, it has the right to seek binding arbitration. In the event of such dispute or upon the Town's request, Court rules require me to provide the Town with information concerning fee arbitration.

Photocopies of this agreement and electronic/facsimile signatures contained thereon shall have the same force and effect as originals.

If the foregoing meets with the Town's approval and understanding, kindly indicate the Town's acceptance of these terms by signing at the bottom where a space has been provided for your signature as supervisor.

I look forward to being of service to your community.

Very truly yours,

Patrick J. Bliss, Esq.
